

Lavender Country and Folk Dancers  
**Dance Camp**

May 5-7, 2017  
Camp Woodstock  
Woodstock, Connecticut

**Linda Leslie and Chris Ricciotti**, dance camp favorites, join their talents at camp this year, sharing the calling for contra dance and English country dance. With a combined calling experience of several centuries, they bring clarity, joy, and enthusiasm to their teaching and calling, inspiring dancers to light up the hall, while their style builds community both on and off the dance floor.

**Amy Richardson Larkin, Jacqueline Schwab, and Max**

**Newman** are stars in the folk and dance music scenes, in New England, the U.S., and beyond. They bring deep knowledge of multiple styles of music and serious improv skills, along with long experience and real excitement at playing

for dancers, while their driving beats and smooth phrasing build passion and joy in dancers and listeners.

*A weekend of gender-free dance for lesbian, gay, bisexual, transgender, and queer folks and their friends*

**Camp Woodstock** is in northeastern Connecticut. This is a YMCA camp that hosts groups throughout the year, with our main dance hall overlooking a lovely undeveloped lake.

sensitivity, and in close quarters these scents will make some dancers ill.

All campers become voting **members** of LCFD for the year that started October 2016.

Contact the Registrar to join (if not coming to camp) or to opt out (if coming to camp).

**Work exchange** slots are limited, so register early. Each work exchange person is asked to do either pre-camp setup or post-camp cleanup in addition to several work shifts during the weekend.

A \$100 **deposit** per person is required to hold your place at camp (\$50 for work exchange and student rates). Campers asking for scholarship are also asked for a \$50 deposit. Please ask the registrar about rates for kids.

Donations to the **scholarship fund** help us offer financial assistance. LCFD is a nonprofit organization with 501(c)(3) status, so donations are tax deductible. Scholarships are limited and are available on a first-come-first-served basis; please pay as much as you can, and register for work exchange. We don't want to turn anyone away from camp for lack of funds; please ask the registrar if you have any questions.

A camp **directory** is published with contact information of campers. This is for campers' use only—please don't distribute it elsewhere. Campers may opt out of the directory by checking the "omit" boxes on the form.

Dancers often need a place to stay when traveling to attend dances. If you can **offer accommodations** for dancers attending your local LCFD dance, please check the box on the form; the directory will show who can host travelers. Of course, travelers will contact you in plenty of time to arrange the favor.

If you can **offer a ride** to another dancer, or need a ride to or from camp, please note that on the form. We'll distribute a list well before camp, so riders can contact drivers.

**Accommodations** are dorm style with bunk beds, in heated buildings and unheated cabins. *New this camp:* we invite everyone to make requests about housing when you register (location, whom with, etc.); we'll do our best to accommodate, in order by time of registration (including deposit). Requests based on medical needs get priority—let us know about that when you make the request. You'll need to bring your own bedding and towels; if that's difficult (or if you can bring them for others) let us know.

The **program** for camp will include lots of dancing, including workshops for experienced and beginning dancers. There's a variety show Saturday evening, followed by a costume (costume optional) ball. We strongly encourage activities proposed by dancers, which have included things like other dance forms, singing, and nature walks. Socializing with old and newly met friends is always part of camp.

Registration opens at 5:00 pm Friday—please arrive after that. While the final **schedule** isn't known till close to the last minute, dancing usually begins Friday at 7:30 pm. Apart from sleeping and eating, camp runs practically non-stop until the last dance ends on Sunday, usually about 3:30 pm.

Six **meals**, and snacks, are included in all registrations. All meals include vegetarian and omnivore options. If you have a dietary need, please let us know on the form and we'll be in touch about accommodating it. Camp begins with a dinner buffet on Friday, since not everyone arrives at once. The last meal is lunch on Sunday.

Don't bring **scented products** (deodorants, soaps, perfumes, etc.). People have varying levels of chemical
