The Lavender Country & Folk Dancers (LCFD) is sponsoring a Community Contra Dance on Sunday, February 5th, featuring the callers and musicians who will have attended the LCFD Winter Weekend workshops at Senexet House, all of whom are dancers from the LCFD Dance Community! These folks will be calling the dances, playing the music and creating the program that will provide the energy for this very special afternoon dance party! Your attendance will help make this special event a success, and the budding callers and musicians who will be a part of this program would really appreciate your love, support and encouragement!
